

\* According to VOC A+, a statement on level of emission of volatile substances in indoor air posing a toxic threat during inhaling – on a scale from A+ (very low-emission) to C (high-emission). Detailed information: [www.eurofins.com/france-voc](http://www.eurofins.com/france-voc)

kronoXonic

[www.krono-original.com](http://www.krono-original.com)

## Ideal for residential and commercial projects

A 30 year residential and 5 year commercial warranty (detailed terms of guarantee: [www.krono-original.com](http://www.krono-original.com)), very durable, the highest Utilization Class 34 (DIN EN 16511), dust and dirt repellent, high plank stability with low expansion and Top Clic locking system

## Ideal for kitchens, baths and vestibules

Waterproof, A.B.C. Anti-Bacterial Coating, integrated walking and impact sound insulation, high load bearing capacity, beveled edges, authentic surface texture

## Ideal for do-it-yourselfers

Top Clic for fast, simple and secure installation. Easily cut to length with a carpet knife.

## Ideal for renovations

The low height means that doors do not need to be shortened. Underlayment is unnecessary and underlying tiles do not telegraph through.

RO24 Rocky Mountain Way

# Quality<sup>3</sup>

Years of development work have paid dividends, as with Krono Xonic we are able to offer a genuinely high-tech article that is more scratch-resistant and robust than most other floors and is naturally waterproof. Consequently, Krono Xonic represents a new generation of vinyl flooring that provides an impressive combination of the advantages of synthetic material with the aesthetics of parquet flooring. Krono Xonic stands out due to its stability and maximum utilization class 34 (DIN EN 16511). It is perfect for intensively used living areas like entrance halls, hobby rooms, kitchens and bathrooms as well as commercial premises.

## ① Stable in every regard.

The core of Krono Xonic is formed by a hard panel that offers easy installation, and in combination with the proven Top Clic system, furnishes excellent stability.

- New generation rigid vinyl flooring: no panel shrinkage
- High level of dimensional stability, no issues with moisture swelling (as with wood floors), high thermal dimensional stability up to 35°C
- Easy to install
- No telegraphing

## First class flooring with a guarantee

Krono Xonic was subjected to long-term, comprehensive testing and we are proud of the results. These not only relate to quality and user-friendliness but with the vinyl itself, directly to its impact on the environment. Krono Xonic can be fully recycled. Ten international patents protect the product design and technology.

R014 Pearly Gates

## ② HD digital printing.

As a result of the very latest digital printing technology, with Krono Xonic we have also set new benchmarks with regard to aesthetic quality. Through the crisp high-resolution print and high panel variation your flooring will have an appearance that is truly close to nature.

- Natural 3D wood and tile optics
- Up to 60 different panels per design
- Two pore-free compound layers, the perfect substrate for HD digital printing
- Ideal for large areas in commercial applications

## ③ Unique finish.

- Waterproof
- Soft and warm underfoot
- Anti-Bacterial Coating
- Silent due to walking and impact sound insulation
- Microscratch protection
- Stain and imprint resistant

We are proud of our Krono Xonic and would like to invite you to sample this new generation of vinyl flooring for yourself. You will soon see that you can rely on Krono Xonic in every way.

Krono Xonic is available in the following textures:

kronoXonic

## You have the choice.

HD digital printing gives unique pattern definition and impressive 3D optics. You can select from an extensive collection of pattern variations ranging from modern to classic to rustic.

\* Statement on level of emission of volatile substances in indoor air posing a toxic threat during inhaling – on a scale from A+ (very low-emission) to C (high-emission). Detailed information: [www.eurofins.com/france-voc](http://www.eurofins.com/france-voc)

**30 years**  
guarantee

**Warranty** We provide a 30 year residential warranty and a 5 year commercial warranty (detailed terms of guarantee: [www.krono-original.com](http://www.krono-original.com)) on our Krono Xonic floor. You may rest assured that it will be simple to care for and furnish you with many years of satisfaction.

**integrated**  
**silence pad**  
↓ 4 + 1 mm

**Walking and impact sound insulation** All Krono Xonic floors have integrated sound insulation. This reduces impact sound, echoes and vibrations, and ensures comfortable room acoustics with enhanced walking comfort. No additional underlayment is required, which saves time and money. And in addition, these floors are ideally suited for use with underfloor heating.

**stain/imprint**  
**resistant**  
resistant

**Stain and imprint resistant** Don't worry: Even tricky stains such as red wine, oil, vinegar, citric acid or nail polish can be easily removed. Krono Original® floorings are also amazingly abrasion-resistant and durable.

**top clic**

**Top Clic** The Krono Original® Top Clic system has been specially designed to ensure that the laying of your vinyl flooring is as simple and effortless as possible. The Clic profile flush links the individual panels in a quick and uncomplicated manner that is also form locking.

**R9**  
**anti-slip class**

**Anti-slip class** Safety is one of our major priorities. Accordingly, as a result of specially developed structures with an anti-slip class rating, the demands made on flooring in workrooms and working areas subject to an increased danger of skidding are taken into even greater account.

**Anti Bacterial**  
**Coating**  
A.B.C.

**A.B.C. Anti-Bacterial Coating** Keeping your flooring as clean and free of bacteria as possible is naturally a major concern. The Krono Original® A.B.C Anti-Bacterial Coating inhibits the growth of bacteria on your flooring and provides you with the peace-of-mind that comes from a healthy home environment.

**microscratch protect**

**Microscratch Protect** The robust surface safeguards your flooring with even greater certainty against the micro-scratches that can be caused by mechanical loads.

**60**  
**different panels**

**high resolution**

**digital design**

**Digital Design** Experience precise design in impressive HD quality. Modern printing ensures razor-sharp resolution and brilliantly stylish patterning. As a result of printing diversity, up to sixty differing panels per design are possible. This lends your flooring an authentic appearance that is virtually free of repetition and close to nature. Truly eye-catching!
