**Warranty conditions**

Warranty for Gustavsberg's products is valid from the date of purchase and warranty covers defects in a product caused by defects in design, material or workmanship which occur:

- mixers - within five (5) years of purchase. The warranty applies to defects that cause the mixer to drip (leak) when the lever is in the closed position;
- toilet mechanisms, fixtures, seats, bathtubs, showers, shower walls/doors, accessories, outdoor faucets, fittings and furniture - within two (2) years of purchase;
- ceramics - within five (5) years from purchase.

A receipt or invoice must be kept to verify the date of purchase of the product. Please carefully check the product at the point of purchase and follow the installation, operation and maintenance rules. Properly installed and maintained product ensures its longevity. Products with visible quality defects must not be mounted or installed. The warranty applies only to genuine Gustavsberg parts.

The warranty does not cover defects caused by incorrect or incomplete installation, maintenance, use, repair or any other external cause of the product after the product has been delivered. The warranty does not cover defects which were caused by bad water quality, normal wear and tear and depreciation. Gustavsberg is not responsible for the suitability of the products for the functions requested by the buyer.

Complaint notification

The Buyer (Customer) must report the defect immediately after it has occurred and must provide a receipt/invoice for the product showing the date of purchase.

Detailed complaint notification information is available on Gustavsberg web-sites:
